

Centennial Meeting Notes

March 24, 2008

Attendees:

Carla Bonebrake, Kay Kammer, Ann O'Reilly, Vicki Seagul Schell, Donna Taylor, Charlotte Clevidence, Becky Standal, David Standal, Cathy Standal, Nancy McQuillan, Ron Onslow, Betty Teunessen, Nicci Wiseman, Margaret Svir

Points of Discussion:

- ◆ Kay contacted Martha Hancock at the High School to discuss the possibility of seniors helping with the various projects for the Centennial for their senior projects but has not heard back from any – may be early for the juniors/sophomores to think about it right now. May hear more in a couple of months. Spoke with Colton Culbertson (HS Student) and interesting in knowing about the Centennial – have added to the email distribution for ideas and assistance
- ◆ Carla talked to Tevis Laspa regarding manufacturing a time capsule for us and he has agreed. He needs dimensions of what the committee wants.
- ◆ Lorraine brought copies of information into Lindsay at City Hall to pass on to Woody for updating including list of businesses from 1930's to 1950's
- ◆ Angela Shields has agreed to organize a fun run for 2009
- ◆ Suggestion for a Horse Race – Need a volunteer to head this up!
- ◆ Vickey/Charlotte with Heritage Committee are working on a fundraising cookbook for the Heritage Committee consisting of recipes from the community; photographs; and biographical stories. Information was provided on the types of books available to choose from. Vicky will bring a sample to the next meeting. Committee liked the idea to use an old fashioned look to the cookbook.
- ◆ Scavenger Hunt was suggested with hints published in the Reflector at the February meeting
Need a volunteer to head this up!
- ◆ Cemetery Tours – Nancy: completing research of descendants for re-enactment; purchased bolt of cloth at Lion's Auction that may be used for costumes
Vicky checked on availability of church's vans and Nazarene Church has agreed to offer use of van/bus – may need a driver
- ◆ Sponsorship - Dave S working on sponsorships – need to know what we are looking to have sponsored and the costs and suggested incorporating Heritage Days for sponsorships
- ◆ Suggestion was made for either a float in the 4th of July parade, or wearing of era clothing in parade and passing out flyers (no-one assigned to this project)
- ◆ Outhouse Building Competition, participate in 4th of July parade and then auctioned off at the park (Ron Onslow talked with his son-in law regarding this project and will assist)
- ◆ Kick-off festivities to include walking tour with brochure – need assistance with this (Received an email and Susan Daugherty had to resign from the committee due to work commitments), photo display, cake walk at Community Center (Donna & Kay); and entertainment from someone like Liberty Belles, Sweet Adeline's, or barbershop quartet (Michelle to check into barbershop quartet – Dave S will follow up with Michelle)
